Capuchin Vocation Update Province of St. Joseph

11 SLS seniors accepted as Capuchin candidates

The seniors from St. Lawrence High School Seminary are opting for the non-residential version of the Candidacy Program. This program allows candidates to attend the college or university of their choice while investigating the Capuchin way of life. They meet regularly with a Capuchin vocation director, participate in gatherings with other candidates, and are invited to Capuchin celebrations and events. Candidates often visit St. Clare of Assisi Friary in Chicago where the Postulancy and Postnovitiate Programs are housed. This allows them to learn more about the next stages of Capuchin training up close. *Vocation Update* is proud to present these newest candidates to our readers!
